Kirtan as an offering to HH Jaypataka Maharaj

Venue: ISKCON Bangalore

Dated: 25 th March 2018

**Hare Krishna Hare Krishna Krishna Krishna Hare Hare  
Hare Rama Hare Rama Rama Rama Hare Hare**

This kills or this destroys demon within us or demoniac nature in us and all around. Lord Sri Rama as He killed Ravan, may He kill Ravan within us or Hiranyakashipu within us or Jagai Madhai within us with the weapon of the Holy name. So Lord is about to shower His weapon or arrow and attack all that is bad within you me and the world around us.

**Paritranaya sadhunam vinasaya ca duskrtam  
dharma-samsthapanarthaya sambhavami yuge yuge**

So vinasaya ca duskrtam, let that happen. He has appeared today sambhavami yuge yuge, He appeared today also or we could say, He appears in the form of His Holy name.

**kali kale nama rupe krishna avatar**

This is yet another avatar but same and another simultaneously. Nama avatar, kali kale nama rupe, name of this avatar is Nama avatar.

I am also thinking or I wish to offer our kirtan that we are performing now and here. This kirtan as a prayer unto Sri Rama for protection of and the successful operation of H. H. Jaypataka Swami Maharaj ki Jay! So he has requested that we pray and of course without request, we should pray. So let us make this kirtan as a prayer. His vyas-puja is just in few days, on 27th. I have sent my offering also. I am sure you

have sent yours, you many of his disciples. But I am his brother. I also have compiled my offering and sent over to him, which we will read here and those who are present on that day in Chennai also may will read. But on the top of that I want to offer this kirtan as a prayer unto Sri Rama, unto Narsimha deva for removing all the obstacles from the path of H.H. Jayapataka Swami maharaj, specially his health and operation should be happening sometime soon. May all that go successfully, that is our prayer.

Non stop kritan.....
